J. A. WILSON, PROP.

A thousand might be wrong—but not five hundred thousand. More than a half million buyers have picked the Ford because of its all round serviceability, its low first cost and its low cost of upkeep. The Ford has made good.

Five hundred dollars is the price of the Ford runabout; the touring car is five-fifty; the town car seven-fifty—f.o.b. Detroit, complete with equipment. Get catalog and particulars from Bradley Auto Sales Company, Lubbock, Texas.

THE TENANT PROBLEM

J. A. Arnold, Secretary of State Secretaries and Business Men's Association, Says:

The Texas farmer is the man of the hour. Besides furnishing campaign material for gubernatorial aspirants, he is claiming the attention from other sources, and his welfare is becoming the paramount issue of both political and all commercial bodies.

As a solution to the problem of the 220,000 tenant farmers of the state, the Trinity Commercial Club offers to place a million acres of land in the Trinity valley at the disposal of the tenant without cash payment for one year, and giving him 10 years thereafter in which to pay for his land.

The joy of home ownership is one of the highest emotions of the human race, and implanted deep in the heart of every renter and tenant is the desire to some day own the roof which shelters him. The gubernatorial candidate or commercial club who helps to solve the tenant problem is rendering a valuable service to mankind.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side."

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

SHALOWATER

The ice cream supper given at Shallowater, on May 10th, by the Shallowater Embroidery Club, for the benefit of the Sunday school piano fund, was a great success. The ice cream and cake were delicious, while the coffee and sandwiches could not have been better, and the delicious candies—made by the ladies of the club—and the grabbing helped out wonderfully. Each candidate present made a short talk and everyone seemed to have a good time.

Shallowater always makes a success of her undertakings, and the Sunday school will soon have a grand upright piano, thanks to the Shallowater Embroidery Club.
